Environmental Health Legislative Working Group (EHLWG)
Request for Support 2010
Application Form

EHLWG's mission is to provide a forum for increased coordination and enhanced strategizing on environmental health issues and policy in California. Together, we work to promote the elimination of pollutants and encourage the adoption of statewide precautionary policies to minimize the impacts of pollution on the environment and human health.

Please type or print clearly the answers to the following.

Your name, title and email address:

Organization name:

Phone:

Address:

Grants are available to cover transportation to the trainings. Please state the amount you are requesting ($200-$1,500) and why:

Website:

1. What do you think will be the main benefit for your organization in attending an EHLWG training?

2. After the training, how do you plan to utilize the legislative skills learned in the training?

3. What skill or issue would you most like to see addressed during the EHLWG training?
